SHEEP OR COW?

You can see various animals on the farm. But can you tell them apart? What about the one with the yellow beak that lays eggs? What do we call it? Is it a hen? Or perhaps a duck? Encountering all sorts of animals won't ever be boring—thanks to playful cutout shapes, transforming the pages into something new and original. Lively and timeless illustrations are just perfect for little ones, as they catch their attention, yet leave enough room for their own imagination.
