Is anyone down there? Does anyone know what we should wear?

We'd better not get it wrong.

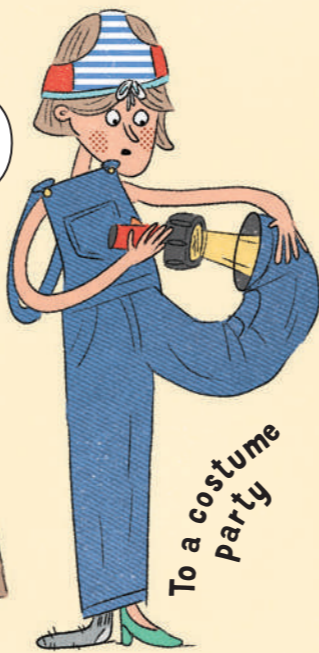

So many places to be!
Where shall we go today?

For skating

On a farm

To a costume party

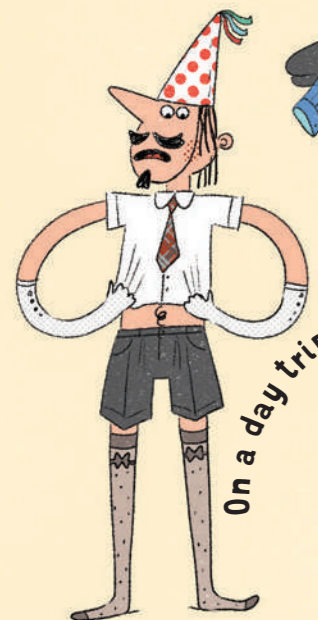

To a wedding

For painting

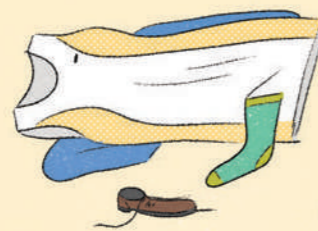

To a restaurant

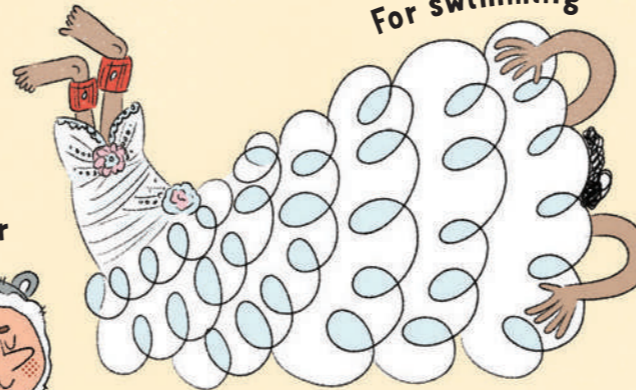

On a day trip

For soccer

To the theater

For swimming

In bed

To school

For tennis

Don't you feel a little overdressed? Won't they confuse us with the actors?

Look at those two! The stars of the evening!

Theater

To the dressing rooms, at once! Maybe we'll have time to change before anyone notices. What do people wear to the theater?

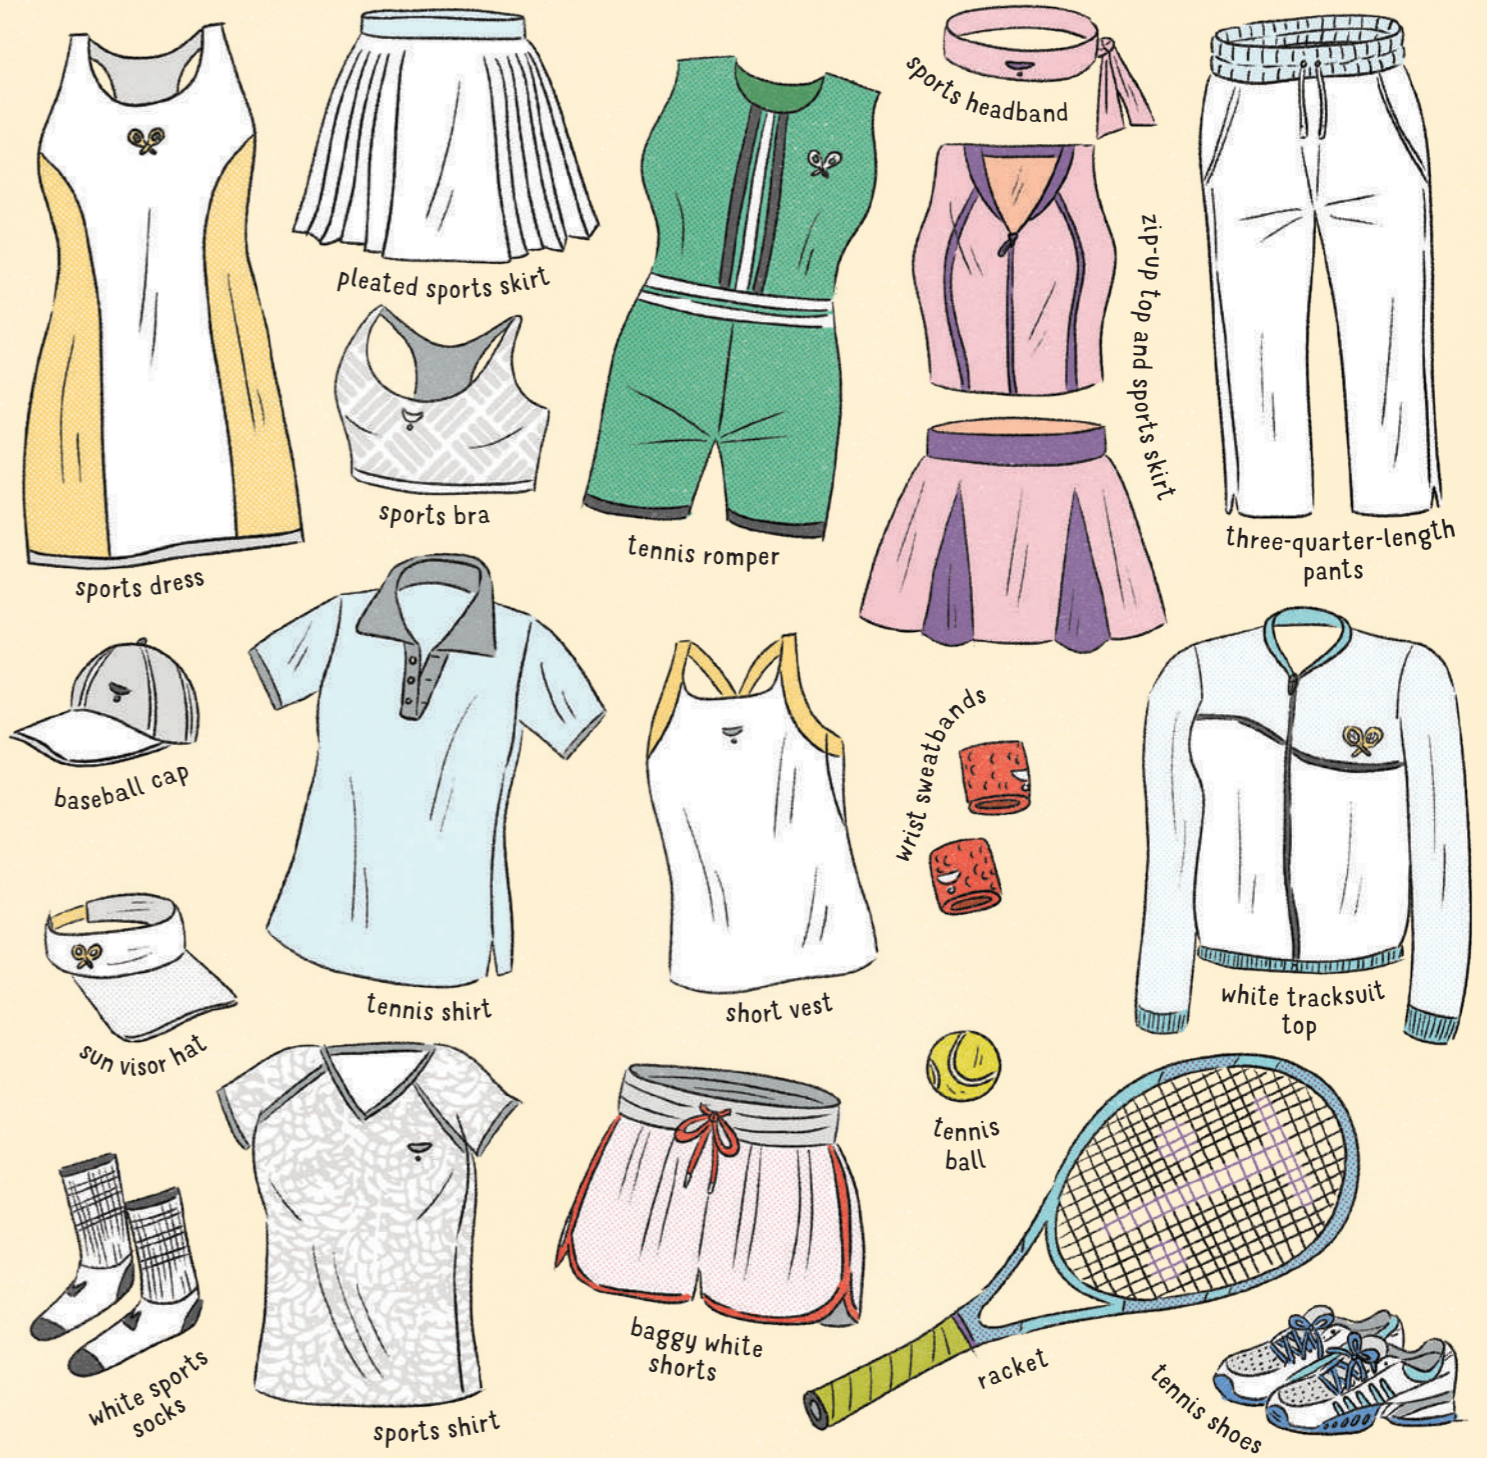

According to the trainer,
tennis players always wear white...

Excuse me. I've gotten a bit
snarled up.

I see now that Mom's wedding dress isn't quite
the thing. It's interfering with my backhand.

What's it like to play soccer in slippers? Should you go to school in pajamas? Is a wig the right thing to wear to the theater? We wear different clothes for different occasions. But haven't our heroes in this book gotten it a bit wrong? Or more than a bit? It appears they need your advice. So, what should they put on?
