Picture a spooky abandoned castle. Nobody is inside, just you. In the distance you can hear a raven cawing, an owl hooting, and a witch cackling as she swoops over on a broom. Are you feeling a little jumpy? Well, there's worse to come when you discover that a bunch of *bogglebies* are hiding in the dark corners of the castle. Look carefully and see if you can count them all. Go on ... There's nothing to worry about! Bogglebies might look scary, but they don't bite. In fact, they're so helpful, they'll help you learn to count! So, let's begin ... One, two, three ... Can you guess what comes after three?
