

ARE YOU BORED, MINIMONI?

ARE YOU BORED, MINIMONI?

Rocio Bonilla

On **Thursdays** I go to painting class.
I'm learning a lot...

On **Fridays** I spend the afternoon
with Grandma Lola.

On **Saturdays** we go on hikes.

But... on **Sundays**...

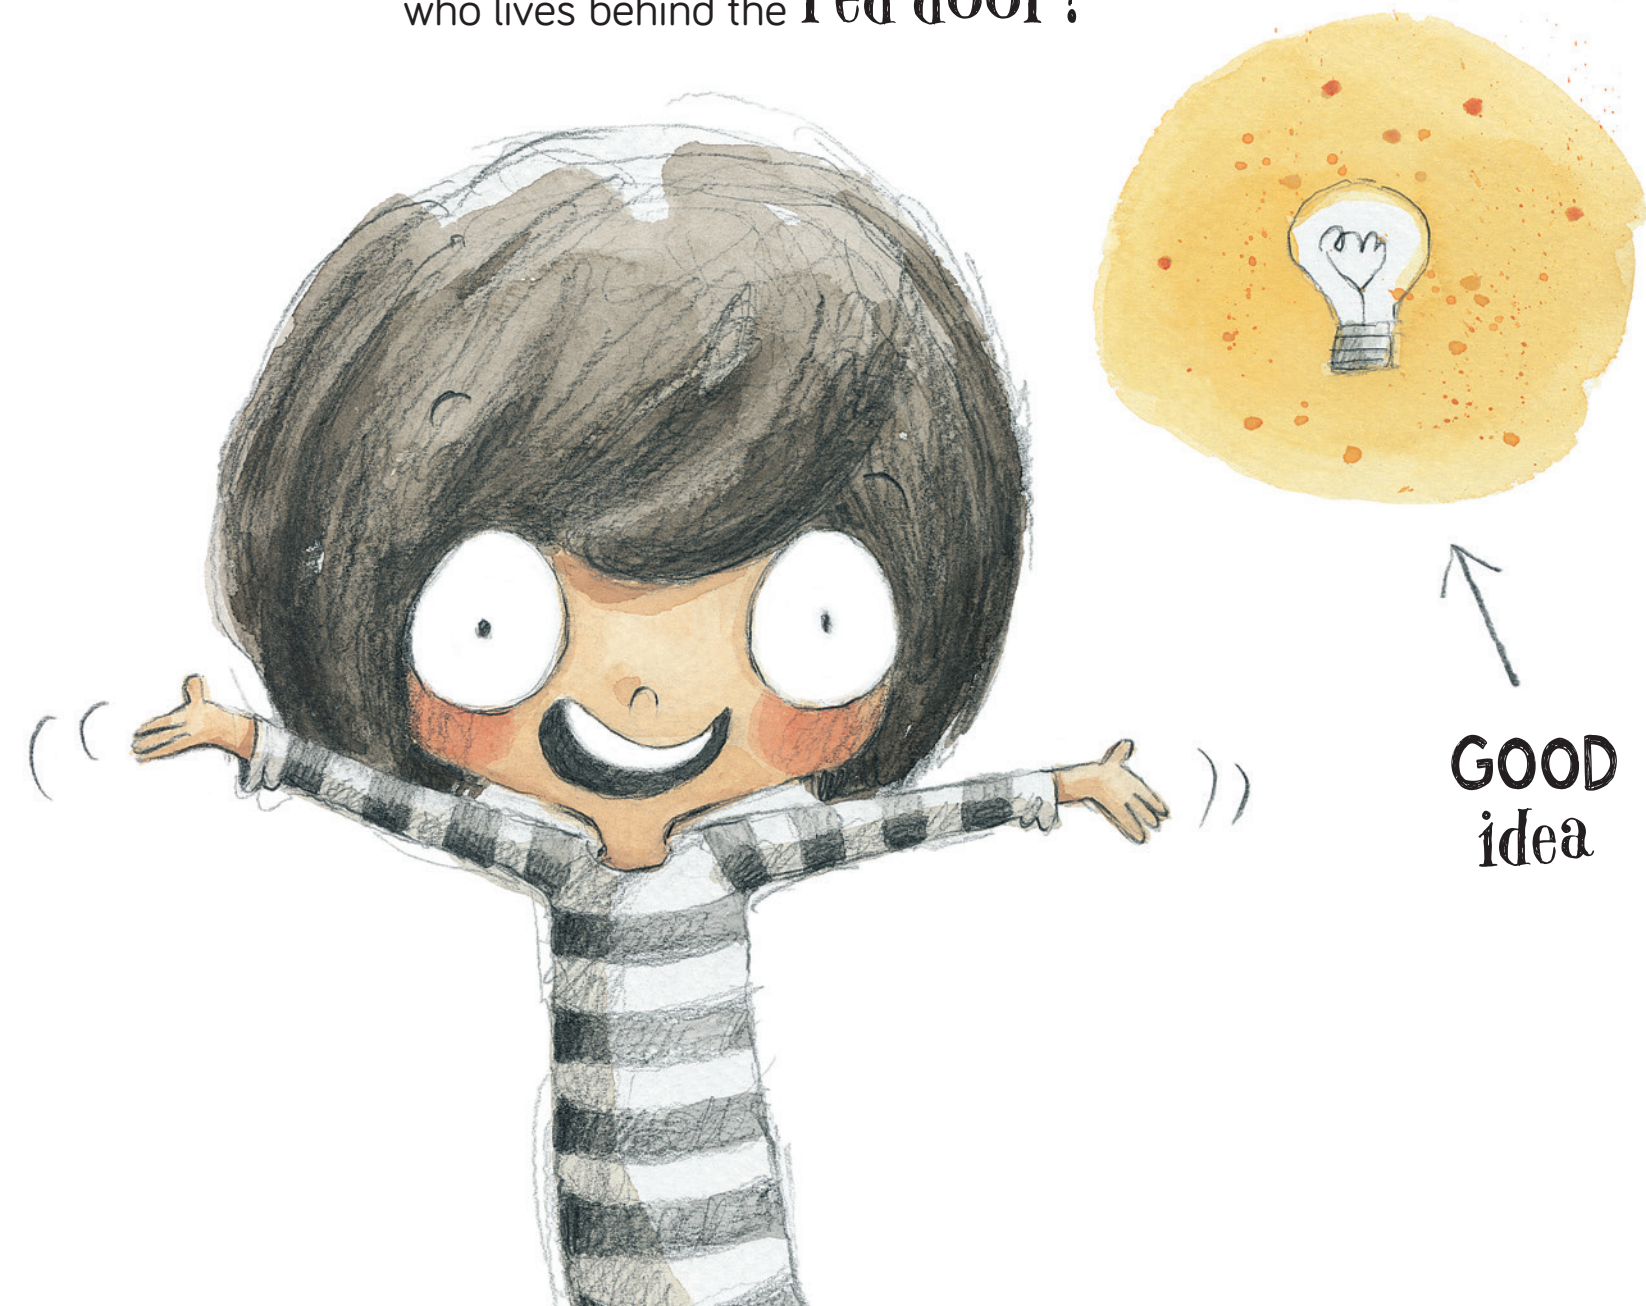

On Sundays
there is
NOTHING
to do!!!

What could I do to not **get bored?**

Got it! I could ask the **mouse**
who lives behind the **red door**!

GOOD
idea

But the mouse doesn't know...

Maybe
the **rabbit**
can tell you!

Maybe the **alien** can tell you.

A whimsical illustration set against a dark blue night sky filled with white stars. On the left, a young girl with short brown hair, wearing a black and white striped shirt and dark pants, stands on a thick green beanstalk with large heart-shaped leaves. She is looking towards the right. In the upper left, a small rocket ship with orange flames is flying. In the upper right, a purple planet with a ring is visible. On the right side of the image, a green alien with large round glasses, an orange jumpsuit, and red boots stands on the surface of a grey, cratered moon. The alien is holding a small blue spray bottle. Next to the alien is a small, brown, saucer-shaped UFO with four legs and a large blue dome on top. The alien is looking at the girl. A large white speech bubble is positioned between the girl and the alien.

Alien,
do you know
what I can do to not
GET BORED?

Have you asked your **mom?**

Now that's a **great** idea!

MOOOOOOM !!!

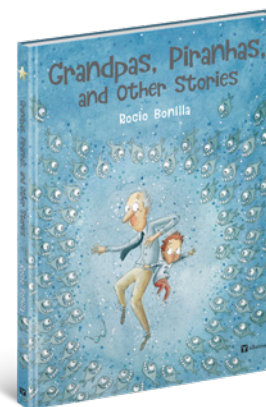

Minimoni sure is growing up fast. She still loves to paint, but she also does many other things, like seeing her friends on Mondays, playing hockey on Tuesdays, reading in the library on Wednesdays, painting on Thursdays, playing with her grandmother on Friday, and hiking on Saturdays... But on Sundays? On Sundays there is absolutely *nothing* to do. She is sooo bored! Or is she?
